Whether you want privacy or to allow filtered light through, Wood Essence Blinds give you complete control over the amount of light you let into the room. The beautiful curved shape Valance that is 90mm wide hides all your hardware and eliminates light gaps.

UNIFORM APPEARANCE

Venetian Blinds have been developed to capture the real look of wood and to eliminate any inconsistencies with colour, grain and pattern that you might traditionally find with real timber. This consistent wood look gives the blinds a more uniform appearance.
