**HIDDEN LOCK TECHNOLOGY**

A technology provides a unique fabric guide, fastening and securing the welded zip and fabric concealed within the side channels; creating a strong, smooth and streamlined system. The function ensures no gap between the fabric screen and side channels and a secure guided movement that won't blow out in the wind. Also have a bottom sealing strip aids that helps in creating a relaxing insect free environment.

**CONTROLS IN THE PALM OF YOUR HANDS.**

Whether you're home or away, this blind can be controlled directly from your smart phone, using automate motors. Receive live animated shade feedback, through the Automate app, and know exactly what your shades are doing.

**ONE ACTION ULTRA-LOCK & TENSION**

You can optimize your blinds with the New Ultra-Lock. Invisibly integrated, Ultra-lock's patented technology seamlessly reinforces your blinds, for reduced movement and an ultra-smooth fabric finish. The New Ultra-lock perfectly secures your blinds automatically, without an external lock or latch, and utilizes an in-built, self-correcting system, to ensure your screen evenly clicks in place.
